

2018

The 2018 National Safety Conference for the Poultry Industry is designed specifically for poultry facility and corporate safety personnel, as a three-day event with key presentations on important industry topics and updates on government policy. Program topics include an OSHA Update; Safety Best Practices . . . Sharing Corporate Strategies; and Medical Management: Credentialing for Occupational Health Program and Collaborating with Local Doctors. Other highlights include breakout sessions for discussing best practices and current challenges, including Fit for Duty Do's and Don'ts; Ergonomics; Hydrogen Sulfide Safety Best Practices, and other networking and knowledge exchange opportunities with other safety and health professionals.

Don't miss this great educational opportunity . . . Register Today!
